Occupational Safety &
Health in Brazil
October 1-6, 2017

Agência Força Aérea/ ©Sgt Batista

Learning from each other:

Study tour to experience Occupational
Health and Safety Practice
Cooperation with University (UNICAMP)
Sao Paulo

WHY SHOULD YOU ATTEND

- ✓ Meet OHS colleagues in a beautiful country
- ✓ Get inspired and inspire others
- ✓ Compare different occupational health systems
- ✓ Visit interesting workplaces like the EMBRAER Plant
- ✓ Gain new perspectives and innovative ideas
- ✓ Opportunity to bring your partner and combine learning with a cultural visit or a holiday

OBJECTIVE

Explore and experience other Occupational Health practices in another part of the world with other challenges and systems. As well as open the mind to different cultures.
