

VP, Senior Medical Director

Our client is a highly rated, growing, progressive not-for-profit health plan located in the mountain west region seeking a top, very experienced medical director to oversee most of the day-to-day medical operations of the company. Reporting to the Chief Medical Officer, this position is responsible for the direct line management of health services functions including utilization and case management, quality programs, in-house disease management and has heavy interface with all other components of plan management that impact the care of the membership. The best candidates will: be board certified in an appropriate medical specialty with substantial practice experience; have a minimum of five+ years experience as a medical director in a top health plan or insurance company; substantial staff management experience overseeing nurse managers and other professionals; subject matter expertise in UM/CM/DM, quality, pharmacy, ancillary programs and an understanding of the drivers of healthcare costs; excellent verbal and written communication skills; a patient-centric personality and a flexible management style. Top compensation program, executive benefits, full corporate relocation plan and high growth potential. Contact Marc Gouran, Solomon-Page Group in complete confidence at: mgouran@spges.com
