The ICLAM (International Committee for Insurance Medicine) Congresses have since 1935 become the international benchmark for congress aimed at scientific training, interactive discussion and networking on topics related to risk underwriting and claims assessment. It has a proud tradition for the high quality of its faculty and presentations. Know more at [www.iclam.org](http://www.iclam.org).

The ICLAM Congresses traditionally bring together insurance doctors, underwriters, claim evaluators and actuaries in scientific debate and social activities

After a long gap of 32 years, ICLAM Congress 2019 will return to Asia, to be held in Mumbai, India under the auspices of "Association of International Committee for Insurance Medicine", referred to below as "ICLAM Mumbai 2019" [www.iclammumbai2019.org](http://www.iclammumbai2019.org)

By combining the forces and expertise of ICLAM, AIU (Association of Indian Underwriters), AICM (Association of Insurance Claims Management), IMOK (Insurance Medical Officers Klub), the organizing committee is confident that ICLAM Mumbai 2019 will bring in audiences from India and various countries in the East (South East and Far East), Australasia, Europe and Americas.

The academic event: Evidence-based underwriting & claims assessment, swift adaptation to new regulations, rapidly changing technology and medical advances, and changing consumer behaviours' are now key trends in the global insurance industry. By being part of this international event, the audience will be able to engage with the experts across regions on varied topics of interest in a thought provoking and interactive sessions.

With an aim to encourage original and scientific thinking ICLAM 2019 invitees Abstracts/Essay papers from Insurance and related industries.
