

Medical Director Wanted

Full or part-time, to join an underwriting organization with 15 experienced Medical Directors with life insurance industry experience and with good analytic and writing skills. Impaired risk and substandard annuity experience would be helpful. You will be analyzing medical records and preparing reports with life expectancy estimates, as well as providing consultative services for our life insurance clients. Hours are flexible, and all work is done remotely.

To apply: Please submit your resume with contact information to jstaggs@fasanoassociates.com
